### Federal Phosphate Lease U-0149938 Legal Description Amended

Federal phosphate lease U-0149938, was issued on September 1, 1983, and readjusted effective September 1, 2003. A review of the plat for Township 2 South, Range 23 East, and a review of patents, reservations and reconveyances has revealed that some lands contained in section 22 were not under Federal ownership; were incorrectly noted on the plats of this office at lease issuance; and therefore, were not available for leasing at the time of lease issuance.

Therefore, the correct legal description and acreage of the lands contained in this phosphate lease are as follows:

U-0149938:
